

**REQUEST FOR PARTICIPATION in the ASSISTANTSHIP PROGRAMS  
(NOT AVAILABLE DURING THE DISSERTATION PORTION OF THE Ph.D. PROGRAM)**

This form must be completed **EACH** time that assistance with tuition is requested (**EACH** term). Tuition is \$2000 US Dollars per class. The Assistantship program can provide up to 50% of tuition per class. Assistantships will be provided depending upon the number of requests in ratio to enrollment, as well as individual qualifications.

I, \_\_\_\_\_ would like to participate as **(circle one)**

**A. A Teaching Assistant (available with permission from faculty only, not available to first term students)**

A work/study program providing faculty with assistance in the verification of research and logic utilized in term papers and theses written by your colleagues for each course. This project is also intended to assist faculty in summarizing the progress of discussion and content for each class. Please provide your background, capabilities and interests in this area.

**B. A Research Assistant**

A work/study program providing faculty with assistance on their research projects, primarily the Academic Dean. This position is intended to provide information for faculty and to assist them in the creation of publishable working papers. Please provide your background, capabilities, and interests (topics) for research.

The Assistantship program *privilege* may NOT be granted if students fail to meet their commitments. Re-admission to the Assistantship program is never guaranteed. Students are required to submit a mid-term report at the six-week mark and have their final project turned in to their supervisor by the end of each term. The value of each approved project is set at \$1000USD. Full tuition will be due for those who do not complete their project and will not be prorated. AGS staff will make every effort to assist you, but **students are required to independently manage this work/study project.**

**REQUIRED: On an attached page provide ALL OF the following.**

1. Describe your Background ~ relevant employment and current salary history (Needs assessment):
2. Describe why you believe you would be an asset in the work/study program you have chosen above (skills, affiliations, experiences, special personal interest):
3. If you are applying for a position as a Research Assistant, **describe two ideas** for potential Projects.

**I request funding in the amount of \_\_\_\_\_ % (percent) of tuition this term.**
